

2014 Unclaimed Capital Credits

Each year we publish a list of customers who did not claim their capital credit refund checks. This year we are publishing the names of those who did not claim their checks that were mailed in December, 2014.

If you have any information as to the location or address of any of the following individuals or businesses, please contact Grand Valley Power.

These capital credit checks belong to you, the member-owners of Grand Valley Power. They are your pro rata share of the margins that are earned each year. In order for these funds to be returned to you, Grand Valley Power needs to be apprised of any address changes that you make.

We have unclaimed capital credit checks for the following members:
