

## 2019 Unclaimed CashBack Credits

Each year we publish a list of members who did not claim their capital credit refund checks. This year we are publishing the names of those who did not claim their checks that were mailed in December 2019. These credits are for the following years: 2014, 2015, 2016, 2017 and 2018.

If you have any information as to the location or address of any of the following individuals or businesses, please contact Grand Valley Power at 970-242-0040.

These capital credit checks belong to you, the member-owners of Grand Valley Power. They are your pro rata share of the margins that are earned each year. In order for these funds to be returned to you, Grand Valley Power needs to be apprised of any address changes that you make.
